

Cornwall Bowls

Almark Sterling

Sterling King

Recommended for all indoor and fast outdoor surfaces. The king has a deep dimple grip to provide increased control, with the bias designed to give the tightest of roads to the jack.

Sizes 00 - 6 heavy. Available in Black and colour

Sterling Slim-line

Recommended for all indoor and outdoor surfaces. The bowls is designed to feel comfortable in the hand, and has a mid bias consistent draw. This makes it ideal for bowlers who want to play with the same set all year round.

Sizes 00 - 6 heavy/medium. Available in Black and colour.

Sterling Gold

Recommended for all outdoor and indoor surfaces. Like all other bowls in the Sterling range, is finished by laser and represents the accuracy associated with the manufacturing by Henselite.
